Stouck

I was arrested by the officers on Erskine near John C as a DPL. I was put in the back seat of scout car. We drove towards Hedges. The officers stopped at Edmund C & told another colored girl to get in the car. She said "I'm not going to get in the car". She was with a colored man. She asked "What do you want me to get in the car for?". The officer - not the one driving - got out of the car and took her by the arm and led her towards the car. She said she wasn't getting in the car - she said ~~she~~ he could shoot her if he wanted to. She swiped at the officer - I didn't see what was in her hand. The officer shot at her after she started running. The officer got in the car & said that the woman had cut him. I thought she may have bit him.
