Dear Mayor Young:

The Region One family is gravely concerned about the announced lay-off of Public Health nurses. We urge that you reconsider this action so that health care in Detroit will continue without interruption.

Presently, Region One is launching an effort to have all our kindergarten and primary students immunized. Without the continuing service of nurses, our efforts will be seriously hampered. In addition, thousands of citizens will suffer.

Region One is proud and supportive of your leadership of our city. We have confidence that you will give our concern for nursing service your immediate attention.

Sincerely yours,

THE REGION ONE BOARD OF EDUCATION

Gwendolyn Clark
(Mrs.) Gwendolyn Clark, Chairman
