EXECUTIVE OFFICE

Memorandum

TO: Mayor Miriani

FROM: Nora Hill

Police

Several telephone calls this afternoon from people protesting Commissioner Piggini's alleged "whitewash" in the Paul Donovan case.

Mr. and Mrs. David Blaney, 640 Parkview drive, and Mr. and Mrs. Robert Olliphant, 9303 East Jefferson avenue, asked me to inform you that they vigorously protest the exoneration of the police officers and vouch for the character and reputation of Donovan and his wife.

They feel that this affair "demands further investigation by the Mayor".
