

Complains After Scuffle With Policeman

A 22-year-old woman was arrested in front of 3113 Woodward Thursday night and held on a disorderly person charge.

A short time after her arrest, she asked Senior Police Matron Hazel Devine, to be taken to Detroit General hospital. She claimed she had injuries of her hip and back. Miss Jackson said she had been struck by Patrolman Floyd Detloff, of the vice bureau.

Patrolman Detloff said he had arrested Miss Jackson at Thursday evening and that she was belligerent and had to be held by the arm and pulled into the station. He said she made no complaint of injuries at the time.
