First Precinct

Date August 25, 1964  
12:30 A.M.

To: Lieutenant in Charge

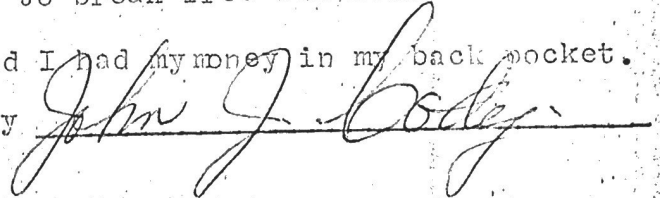

Subject: STATEMENT OF JOHN CODY, 37/W, OF 1376 Hickory, EXX2 WINDSOR, ONT. CANADA.  
RE: INJURY TO BARBARA JACKSON, 22/F/C, 516 WATSON.

At 11:30 PM on August 24, 1964, I was drinking in Vinces Bar, on John R., I don't know the other street. I went to the John. My buddy, Tommy Hartley was sitting at the bar. When I came back, the colored woman was standing between my buddy and I. She asked me if I would like a good time. I said that I would. She stated it would cost 10 and 2. I told her I couldn't afford that kind of money, but that I would give her 6 dollars. She agreed and just she and I went kiddy cornered across the street to her place. We were sitting on the chesterfield and I reached into my ~~hip~~ <sup>jacket</sup> pocket for my money and didn't find any.

I accused her of taking the money. She denied it. A slim built man in a night gown with dark glasses came to the door and stated that they didn't do such things in this place. I started to open the door to leave and encountered the two officers at the door. The officers asked what had happened and I told them that the woman had stole my money. When I told the officers this, the woman tried to kick me. The officers placed the woman under arrest. She struggled with them and they placed handcuffs on her. They brought us ~~zix~~ both into the police station and as the woman was getting out of the car, she tried to break free and fell to the floor.

After I got in the station I found I had my money in my back pocket.
