Dear Ms. Regina:

Thank you for your letter concerning the enforcement of the City of Detroit's Curfew ordinance.

As you know this administration is at all times making a concerted effort to make our city a safe and peaceful place to live. The interest of business people and citizens is always valued and welcomed.

The Detroit Police Department constantly strives to enforce the existing curfew ordinances. With the aid of citizens such as yourself, it is hoped that the summer of 1984 will be as uneventful as the summer of 1983.

Your continued support is invited in helping the City of Detroit reach these goals.

Again, my thanks for your letter.

Yours for a better Detroit,

Coleman A. Young
