Mayor Jerome Cavanaugh
11th Floor
City County Bldg.
Detroit, Mich. 48226

Dear Mr. Mayor,

This is in response to Bob McBride's third editorial concerning the police trial board. Please leave it as it is. All law-abiding citizens of Detroit would be all for you.

I voted for you last time and will again if you don't let the negroes boss you around. Why not tell them that if they keep out of trouble, the police will not bother them. The police have away too much to do, than look fo r
te trouble.

This stuff about police brutality is an old communist line. Roy Wilkins admits that the communists are in the Ci Civil rights movement. If you do as they ask, Detroit will not be safe for anybody. It is not now.

Surely you know by now, that it is impossible to please the negroes. They are the ones who would kick you r right out of the Mayor's office.

If you bow to the negroes, no self respecting person would vote for you. Stand on your record and have the courage to say No.

I wish to suggest that you read an article in the Readers' Digest for January, 1965. It is called How The R Reds Make A Riot. It is very informing.

Yours sincerely,
Pauline Ford
