

The People Support Judge Crockett

The ESVID supporters of Judge Crockett started marching at 6:30 am around Kennedy Square

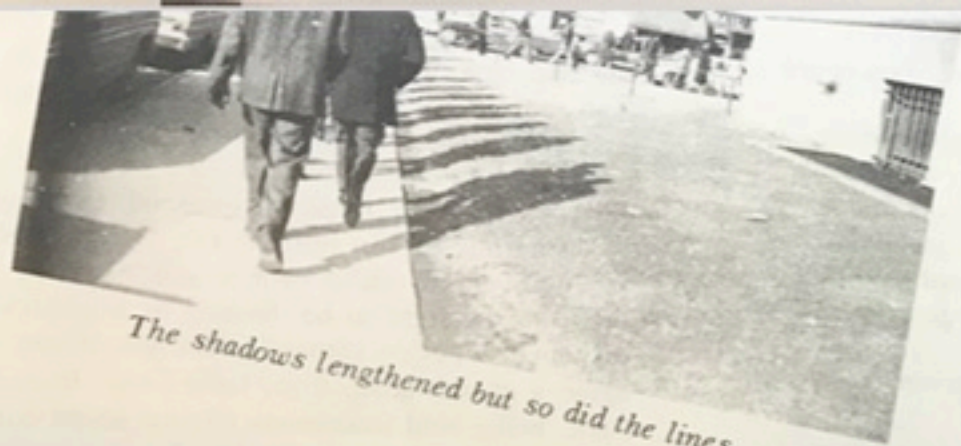

Dan Aldridge gives the group the word before the march to Recorder's Court began from Kennedy Square

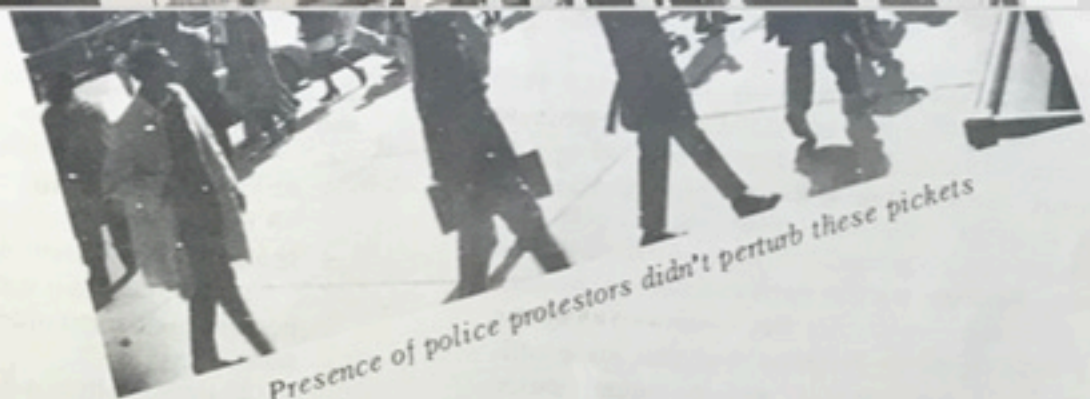

The line of picketers marched silently two abreast across Woodward and over to 1300 Beaubien, stopping all traffic

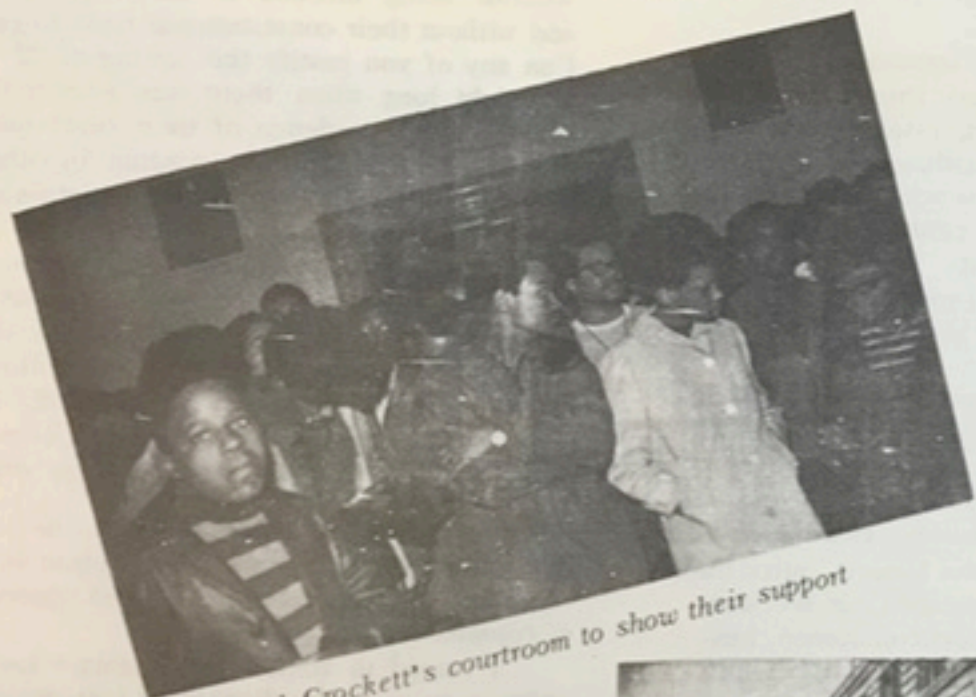

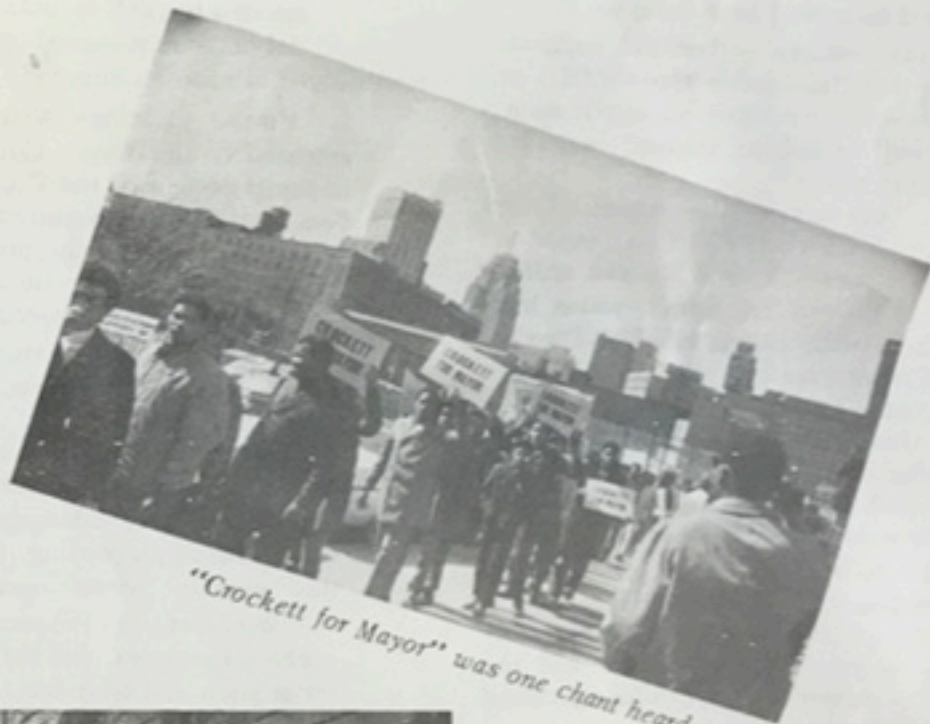

The shadows lengthened but so did the lines

Presence of police protestors didn't perturb these pickets

Pickets pack Crockett's courtroom to show their support

"Crockett for Mayor" was one chant heard

Pickets paraded past Recorder's Court for most of the morning
