Mr. Ruben Wilson  
12080 Wilshire  
Detroit, Michigan 48213

Dear Mr. Wilson:

Thank you for your recent letter supporting the curfew for young people in our city.

Your reaction mirrors that of a substantial majority of the people of Detroit who believe, as I do, that the curfew was a reasonable step to take during the current summer.

Again, thank you for writing.

Yours for a better Detroit,
