

QUESTIONNAIRE

Date 8-10-62

Name Mrs. McCauley. Telephone TO82802

Address 2693 Calvert

Occupation Housewife

How do you rate police service in the 10th Precinct this summer as compared with last summer?

Better  Worse  The Same

Statistically 47 per cent more offenses were recorded in the 10th Precinct in June 1962 as compared with June 1961.

In your opinion does this represent:

The happening of more crime?  
 The reporting of more crime due to increased confidence in the Detroit Police Department?

Please add any comments you feel are pertinent to this questionnaire.

*need more police in area - laws are not being enforced*

*Pat. Kenneth Mayne #2646*  
Officer

QUESTIONNAIRE

NAME FRED PRYOR TELEPHONE NO. 709-9638  
ADDRESS 2752 W. BOSTON BLD.  
OCCUPATION SOCIAL WORKER

How do you rate police service in the Tenth Precinct this summer as compared with last summer?

1. Better X
2. Worse \_\_\_\_\_
3. The same \_\_\_\_\_

Statistically 47% more offenses were recorded in the Tenth Precinct in June, 1962, as compared with June, 1961.

In your opinion does this represent:

1. The happening of more crime? \_\_\_\_\_
2. The reporting of more crime due to increased confidence in the Detroit Police Department?  
X

Please add any comments you feel are pertinent to this questionnaire:

Reported offenses is not <sup>a sole</sup> criterion in determining whether crime is up. I feel that changed attitudes in both the police and public have caused more reports of offenses to be made to the police
