
Suspect Nabbed After Assault On Policeman

James Ramsey, no known address, was treated in Detroit General hospital for head lacerations suffered when he resisted arrest following a fight in an apartment building at 9210 Petoskey.

Also arrested and charged with malicious destruction of property was Victor Ruffin, 19, of 2247 Holmur.

Dempsey Matthews, 42, manager of the building, said the two men broke two windows in the front vestibule door while brawling.

Ramsey was held for resisting arrest and felonious assault on a police officer. He was armed with a knife, police said.
