Attention: _____
(Officers in charge of the case)

DETAILS: At the above time and location this Officer was working Unit Stress 4 Baker, in a Checker Cab #1518. I was driving south on John R from Rosedale, looking for Patr Worobec who was walking north on John R, when I heard several ~~XXXX~~ shots fired, (approx six). I continued south for one more block and obs Patr Worobec standing at the south-west corner of John R. and Belmont. I then obs a lone N/M laying on his stomach with an apparent injury to the right rear portion of the back. I then stood by the scene until the above N/M was conveyed to [redacted] by Sct 13-8, and I along with my partner Donald Schaecher went immed. to the Homi bureau.
