COMPLAINANT: Mr. Howard, Nathaniel  
11739 Linwood  
869-5539

COMPLAINANT

Mr. Howard's complaint is that police officers from the 10th precinct come into his place of business and give students who are there tickets. His business place of is across from Central.

Today, officers E. Ernshaw, Badge No. 2961 and Officer Taylor, Badge No. 4025 passed out tickets.

Mr. Howard says that there is a Mini Station a few doors away and they have found nothing wrong with his place of business and wonders why other officers of the Police Department would come in and ticket his customers.

Mr. Howard says that this happens every year and that last year he was here at City Hall.

He asked that we contact Councilman Brown's office and his secretary could give more information.
